

## EARTH DAY

On Sunday, 22<sup>nd</sup> April, we celebrate world Earth day. In the last years this day carries even more importance, as we have ruined our beautiful nature through our actions. Therefore, it is high time to try saving it.

We have commemorated this special day on Friday, 20<sup>th</sup> April, by collecting old waste paper, followed by placing wooden plates with the names of different trees in our school yard and creating a "learning path".

As this day was meant to pay respects to Mother Earth, the 6<sup>th</sup> and 7<sup>th</sup> graders read some poems about nature under the school's linden tree (the symbol of Slovenia).

### DREAMER

*I dreamt I was an ocean  
And no one polluted me.  
I dreamt I was a whale  
And no hunters chased after me.  
I dreamt I was the air  
And nothing blackened me.  
I dreamt I was a stream  
And nobody poisoned me.  
I dreamt I was an elephant  
And nobody stole my ivory.  
I dreamt I was a rainforest  
And no one cut down my trees.  
I dreamt I painted a smile  
On the face of the earth for all to see. (by

### PTICE

*Sredi zelene  
trate  
Raste zeleno drevo.  
Na njem zame in zate  
Mile ptice pojo.  
  
Če jih nisi čul včeraj,  
Jih poslušaj nocoj.  
Danes in jutri in zmeraj  
Njihov ščebet je tvoj.  
  
Jaz sem ga slišal davno,  
Ti ga poslušaj zdaj.  
V njem je zapeto glavno,  
Važno na vekomaj:  
Da si majhen kot mravlja  
In velik kot ocean  
In da v tebi proslavlja  
Sonce svoj rojstni dan.*
